

Oral Health Grand Round

Held via Webinar

Topic: Dental Management of the Oncology Patient

Date: May 19, 2017; 12- 1:00pm EST

Jointly Provided By: Michigan Department of Health and Human Services- Oral Health Program and Michigan Center for Rural Health

Target Audience: Dentists, Dental Hygienists, Dental Assistants

This one hour session reviews the management of oral health and complications related to cancer treatment involving chemotherapy, radiation, surgery, or any combination of the three. This material will focus on head and neck cancers primarily but some overlap with systemic cancers.

Objectives: This session will help learners:

- Assess oral/dental needs prior to cancer treatment
- Recognize oral/dental complications as a result of cancer treatment
- Manage common oral/dental complications as a result of cancer treatment
- Advise patients on simple techniques to prevent complications from cancer treatment

Presenter: Domenica Sweier, DDS, PhD, University of Michigan Special Needs Dentistry

Continuing Education:

Dental Professionals: Participants who attend the entire session and complete an evaluation online will receive a certificate for 1.0 contact hours. This program is accredited by the Michigan Center for Rural Health (MCRH). MCRH is an approved Board of Dentistry (MBOD) Provider Program – # 299150014. This approval is valid from April 2015 through November 2018.

Technology requirements: This presentation will be conducted via webinar. You can listen to the program via your telephone and follow-along watching the PowerPoint on your individual computer. If you are not able to access a computer during the presentation, you may still participate by listening to the program.
