Michigan State University College of Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Michigan Center for Rural Health has applied to the Michigan Board of Pharmacy **1 hour** of continuing education for **pharmacists and pharmacy technicians**.

Objectives:

1. Review the 2020 gout guidelines.
2. Summarize studies evaluating the SGLT-2 inhibitors for gout
3. Determine if SGLT-2 inhibitors should be prioritized in patients with gout and diabetes.

Learning Outcome:

Upon completion of this activity, participants will report increased knowledge choose if a SGLT-2 inhibitor is the drug of choice in a patient with diabetes and gout.
