

Understanding the New AAP Periodontal Classification System

January 17, 2025
1 PM- 2 PM EST
Zoom Webinar

Oral Health Grand Rounds

SPEAKER:
Sheree Duff,
RDH, BSDH, MSA
**University of Michigan School
of Dentistry**

Objectives:

1. Describe the reasons behind the development of the AAP Periodontal Classification System.
2. Utilize strategies to better use these classifications for improved patient outcomes.
3. Summarize terms and discussions to use for all health care providers in relation to understanding the diagnosis of periodontitis and other gingival conditions.

Learning Outcome:

At the end of this session, participants will have increased knowledge of perinatal oral health initiatives, challenges, and outcomes in the State of Michigan.

Continuing Education Information

Dentists

Dental Hygienist

Dental Therapists

Dental Assistants

Participants who attend the entire session and complete an evaluation form will receive a certificate for 1.0 contact hours.

The Michigan Center for Rural Health has applied for or 1.0 contact hours for Dentists, Hygienists, Dental Therapists, and Dental Assistants, through the Michigan Board of Dentistry.
