

Updates in Asthma Care: The Dangers of OCS & SABA Overuse

May 20, 2025
12 pm – 1 pm EST
Zoom Webinar

Special Topics Grand Rounds

SPEAKER:
Karla Stoermer Grossman,
MHSA, BSN, RN, AE-C
Clinical Site Coordinator
Michigan Medicine: INHALE

Continuing Education Information

Pharmacy Technicians

Pharmacists

Nurses

Physicians

Social Workers

All Participants who attend the entire session and complete the evaluation form will receive a certificate for 1.0 contact hours. This will allow physicians to self-claim credit for this program.

- Michigan State University College of Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- The Michigan Center for Rural Health is an approved provider with the Michigan Social Work Continuing Education Collaborative. Approved Provider Number: MICEC-0070
- Michigan Center for Rural Health has applied for 1.0 contact hour for Pharmacists and Pharmacy Technicians through the Michigan Board of Pharmacy.

Objectives:

- Describe negative impacts of both short-acting beta-agonist (SABA) and oral corticosteroid (OCS) overuse in patients with asthma.
- Contrast NAEPP and GINA guidelines and highlight key differences.
- Connect updated guidelines to changes in educational strategies for patients and providers.

Learning Outcome:

After attending this session, participants will have increased knowledge of the risks of SABA and OCS overuse in patients with asthma and resources available for patient and provider education.
