NUTRITION
& HEALTHY LIFESTYLES

GRANT RANGE  UP TO $500,000

APPLICATIONS OPEN  WINTER

Improving food systems, eliminating barriers to healthy eating, and promoting opportunities for access to physical activity and wellness interventions, with an emphasis on children.
COMMUNITY HEALTH IMPACT

GRANT RANGE  UP TO $150,000

APPLICATIONS OPEN  ROLLING

Supporting bold ideas that empower communities to solve their most pressing health challenges
Equipping health-focused nonprofits with the funding, tools, and training to level up their work and focus on their mission.
CAPACITY BUILDING

BEYOND GRANTS

• Trainings and webinars
• Attend/Present scholarships
• Services, software, and connection to experts
SPECIAL PROJECTS & EMERGING IDEAS

GRANT RANGE  UP TO $500,000

APPLICATIONS OPEN  SUMMER

Enabling statewide, transformational, and systemic change through invitation-only partnerships.
EMERGING FOCUS AREAS

MATERNAL & INFANT HEALTH
Expanding our efforts to reduce disparities and improve outcomes for infants and their mothers, including morbidity, mortality, and behavioral health.

2023
• Second dedicated grant round
• Expecting to award $2 million
• Grants up to $200,000

SERVICES FOR FOSTER & ADOPTED CHILDREN
Increasing understanding, training, and response to the unique challenges faced by foster and adopted children, including those in guardian and kinship care, and their caregivers.
HEALTHY AGING

GRANT RANGE UP TO $500,000

APPLICATIONS OPEN SUMMER

Improving the quality and coordination of care and supporting caregivers to improve the health and well-being of older adults.
HEALTHY AGING

PROGRAM PRIORITIES

• Improving the quality of life for older adults with Alzheimer’s and other dementias
• Supporting a strong direct care workforce in Michigan
• Preventing elder abuse and neglect
• Increasing respite opportunities for caregivers
• Addressing social determinants of health for older adults
• Rural Health and Aging – supporting projects that improve the health of older adults and caregivers living in rural areas
FUNDING EXCLUSIONS

- Organizations that discriminate because of age, race, ethnic origin, religion, sexual orientation, disability, or gender
- Requests to increase COVID-19 testing or vaccination capacity
- Requests that are exclusively for the purchase of personal protective equipment, medications, or medical devices
- Lobbying activities
- Tuition costs and related fees
- Existing and ongoing program operations and staffing, including staffing models that do not leverage available insurance reimbursement avenues
- Clinical or academic research
- Capital projects
- Electronic medical record software
- Loans
- Litigation
- Health-related emergencies*
  * The Health Fund might in some situations consider support to address longer-term rebuilding or other needs following emergency situations.
