 Strategy 1: Drive Effectiveness of Care & Disease Management Sharing best practices and tools. Primary focus on chronic care managers. Share checklists and workflows, billing. Strategy 2: Increasing Access to Health Care Services Start up services, guidance, coding reimbursement. ADHD Testing for youth or adults (possibly PTSD). Continuing ed on mental health. PHQ9 Screening, clinical education. Community resources, what's already out there? Strategy 3: Reduce Disparities by Addressing Social Determinants of Health Suicidal question: No one on site, part of PHQ9. Resources available. 	
 Already using anxiety questions and PHQ9 questionnaires. Lack of resources, lack of social workers. Have built into EMR 	
 Strategy Group Breakouts Time for members to choose a strategy group to align with and engage in a conversation about priorities and strategies. 	Contact Jill Oesterle <u>oester35@msu.edu</u> to sign up for a strategy group if not already done so.
