Sliding Fee Discount Policy

Sliding Fee Discount Program Policy
All aspects of your Sliding Fee Discount Program should be based on written policies, applied uniformly to all patients (including both uninsured and underinsured), and supported by operating procedures. At a minimum, your policy should address the following areas:

1. Patient eligibility, including:
   a. Frequency of patient eligibility re-evaluation
   b. Income definition
   c. Family size definition
2. Documentation and verification requirements to determine patient eligibility.
3. How your site advertises the Sliding Fee Discount Program to the patient population to increase access to care.
4. An explanation of the nominal charge, including the site’s policies on how it establishes and collects nominal charges (e.g., what constitutes “refusal to pay”).
5. Description of its collection policies for outstanding debt (if applicable to Sliding Fee Discount Program patients).

Sliding Fee Discount Program Patient Application
Your Sliding Fee Discount Program application should be limited to family size and income questions.

Additional questions that should not be included in the Sliding Fee Discount Program application include those related to a patient’s social security number, citizenship status, housing status or marital status. Sites also must not use credit checks, payment history, Medicaid denial letters, asset tests, or “net worth” (combining assets and income) tests when determining eligibility for individuals and families with annual incomes at or below 200% of the most current Federal Poverty Guidelines.

ABC HEALTH CARE CLINIC BUSINESS OFFICE POLICIES

SUBJECT: Sliding Fee Discount Program

EFFECTIVE DATE: March 1, 2023

POLICY: To make available free or discounted services to those in need.

PURPOSE: All patients seeking health care services at ABC HEALTH CARE are assured that they will be served regardless of ability to pay. No one is refused service because of lack of financial means to pay. This program is designed to provide free or discounted care to those who have no means, or limited means, to pay for their medical services (uninsured or underinsured).

ABC HEALTH CARE CLINIC will offer a Sliding Fee Discount Program to all who are unable to pay for their services. ABC HEALTH CARE CLINIC will base program eligibility on a person’s ability to pay and will not discriminate on the basis of an individual’s race, color, sex, national origin, disability, religion, age, sexual orientation, or gender identity. The Federal Poverty Guidelines are used in creating and annually updating the sliding fee schedule to determine eligibility.

PROCEDURE:

The following guidelines are to be followed in providing the Sliding Fee Discount Program.

1. Notification: ABC HEALTH CARE will notify patients of the Sliding Fee Discount Program by:
   - Payment Policy Brochure will be available to all patients at the time of service.
   - Notification of the Sliding Fee Discount Program will be offered to each patient upon admission.
   - Sliding Fee Discount Program application will be included with collection notices sent out by ABC HEALTH CARE.
   - An explanation of our Sliding Fee Discount Program and our application form are available on ABC HEALTH CARE’s website.
   - ABC HEALTH CARE places notification of Sliding Fee Discount Program in the clinic waiting area.

2. Request for discount: Requests for discounted services may be made by patients, family members, social services staff or others who are aware of existing financial hardship.
