The screenshot shows a SharePoint page titled "Covid Vaccine Updates" published on 2/6/2024. The page features a navigation sidebar on the left with options like Home, Documents, Teams, News, Pages, Site contents, Recycle bin, and Edit. The main content area includes a header with "New", "Page details", and "Analytics" buttons. Below the header are several tiles: "Report a Safety Concern", "Temporary Downtime Temperature Monitoring Log", and "Awarepoint Downtime Algorithm". A right-hand column contains links for "Vaccine Adverse Event Reporting System (VAERS)", "Policy Tech", "Report a Safety Concern", "Ambulatory Clinical Education and Operations", and "Corewell Health West Standard Work". At the bottom, there are tiles for "Imms Champion Monthly Meeting", "Tip Sheets", and a large graphic for "RSV Covid-19".
