Thumb Opioid Response Consortium

Community | Recovery | Treatment | Prevention
What is TORC?

The Thumb Opioid Response Consortium was formed to address opioid misuse in Michigan’s rural Thumb region.

- Target region: Huron, Sanilac, and Tuscola Counties and the northern rural census tracts of Lapeer County

Overall project goal:

- Improve opioid misuse prevention, treatment, and recovery efforts by leveraging existing resources at regional and local levels

TORC Vision and Mission

- **Vision Statement**
  - Thumb Opioid Response Consortium will work toward a community where all individuals affected by substance use disorders and opioid use disorders have the support needed through access to services, advocacy, and education.

- **Mission Statement**
  - Thumb Opioid Response Consortium works to reduce the harm of substance use disorders by working together as a region to ensure that prevention, treatment, and recovery services are aligned with the needs of the community.
